

'NEUTRAL BURLESQUERS' IN PATRIOTIC SKETCH AT THE OLYMPIC.

Hugh Leonard and his "Neutral Burlesquers" opened last night at the Olympic Theatre on Fourteenth Street. The house was teeming to its capacity. The feature that pleased the audience most was "The World of a Nation," a patriotic sketch.

Edward Johnson and Ben Small were at their best and had the patrons laughing from the rise to the fall of the curtain. The funniest end of the performance is very well provided by Jeanette Buckley, Monica Redmond and the Lawrence sisters. A good

NEW DANGERS OF CONSTIPATION

A recent issue of the New York Times says: "Recent researches of Prof. Meinhoff and others have led doctors to suppose that many conditions of chronic ill health, nervous debility, rheumatism and other disorders are due to poisoning set up by unhealthy conditions in the large intestine, and it has even been suggested that the lowering of the vitality resulting from such poisoning is favorable to the development of Cancer and Tuberculosis."

At Guy's Hospital Sir William Arbuthnot Lane decided on the heroic plan of removing the diseased organ. A child who appeared to be in the final stage of what was believed to be an incurable form of tuberculosis joint disease was operated on. The lower intestine, with the exception of nine inches, was removed, and the portion left was joined to the smaller intestine.

The result was astonishing. In a week's time the internal organs resumed all their normal functions, and in a few weeks the patient was apparently in perfect health.

The Lower Intestine can never get into this condition if Internal Baths are used. The "B. L. Cascade" cleanses the Lower Intestine its entire length thoroughly, with pure warm water and removes all this poisonous waste which is such a menace to health.

It is Nature's own cure for Constipation, and is now being used by over 500,000 Americans with great success.

The "B. L. Cascade" is now being shown and explained by all Riker-Hegman Drug Stores in New York and Brooklyn, who are also distributing a most interesting booklet called "Why Man of To-Day Is Only a Two-Four Doctor." There is no charge for this. Ask for B.-A.-D.

PROCTOR'S 5TH AVE., WITH A COMEDY BILL, ROCKS WITH LAUGHTER.

An attractive programme full of comedy is offered for the first half of this week at Proctor's Fifth Avenue Theatre. Kenny and Hollis appeared last night in a comedy sketch, "Two Nuts from Brazil," and they had the audience rocking from laughter throughout their act.

Another feature on the bill was James K. Lane and company in a lively comedy playlet called "Fishing the Furnace." Lillian and Lucille came in for approval with their good singing and fine dancing.

Others that helped to make the bill entertaining were Billy Gibson, the "Fanny Feller" and Elvia Bates and company.

CITY CHAUFFEUR PAYS \$50 FINE FOR SPEEDING

Commissioner's Driver Raced
Down First Avenue at Rate
of Thirty Miles.

Motorcycle Patrolman Eyrone testified before Magistrate Murphy in the Yorkville Court today that on Sunday afternoon Joseph J. Le Roy of No. 283 Avenue A, chauffeur for Commissioner of Charities Kingsbury, had driven the Commissioner's car at thirty miles an hour down First Avenue. He said the car veered to the right and left, dodging vehicles and endangering life along the avenue from Fifty-seventh Street to Twenty-sixth Street.

Le Roy pleaded guilty and the only

charge he offered was that he had just left the Commissioner and was hurrying to the garage to finish work for the day. Eyrone said he signalled the chauffeur to stop at Fifty-seventh Street, but the chauffeur claimed he did not see the signal.

"Although you drive for a Commissioner that does not permit you to drive through the city streets like a maniac," Magistrate Murphy said. "I fine you \$50, and I hope this will be a warning."

Le Roy paid the fine.

Use RYZON exactly as you have used any good baking powder—no more. Some good cooks tell us they get better results by using a little less of RYZON because it is a powder of higher efficiency.

The RYZON label calls for level teaspoonfuls, because "heaping" and "rounded" are very uncertain quantities. Careful cooks everywhere are adopting the more exact method, and the best cookbooks nowadays call for level spoonfuls.

But if you prefer to use the "heaping" spoonful, then measure RYZON just as you have always measured baking powder and use the same quantity. You will find your baking to have a new lightness—better than ever.

Your grocer has RYZON in quarter, half and pound tins, 10c, 18c and 35c. Sold with money-back guarantee of satisfaction to you.
